UE20EC317: Digital Image Processing -1

<u>Mini project submission guidelines</u>

A soft copy of the **documentation and the *Codes(executables) have to be submitted through a Google form(will be shared) in the following format **on/before 28/11/2021 (Monday).**

** The document file with filename **GX_DIP1_MiniP.doc** (where **P** stands for project, **G** stands for Group and **X** is group number) should consist of:

1. Title of mini project
2. Names and registration nos. of the students
3. Introduction to the topic
4. Theoretical details and Algorithm
5. Code
6. Results: (snap shots of plots obtained, tables generated…), Observations and analysis

Zip the files (code & doc) named as Gx_Name(where x is your group number and Name is one of the team members name) & upload.

Note: The platform and tool can be as per your choice

Each group has to mail only one file.
